WE ALL KNOW ACTIVITY ON THE INTERNET ON A DAILY BASIS MOVES AT LIGHTNING SPEED, BUT THERE'S SOMETHING ABOUT HAVING THE NUMBERS IN FRONT OF YOU THAT MAKES IT JUST A LITTLE MORE FASCINATING. LAST YEAR, WE PUBLISHED THE INFOGRAPHIC "ONLINE IN 60 SECONDS" AND WE THOUGHT IT WOULD BE GREAT TO TAKE A LOOK AT HOW THE NUMBERS EVOLVE, IN JUST ONE YEAR.

#### New Website: By Study And Faith

I have decided that it is time to move from Blogger and to my own server and domain. My new gospel blog site is: <http://bystudyandfaith.net> (note the .net and not a .com)

I will no longer be posting updates on this blog but it will remain online. All posts are on the new site. I will update the feed via Feedburner and it should transfer over for you (for those of you who subscribe to my feed). Everyone else, please update bookmarks and whatever else you need to update. I know it's a bit of an inconvenience for you but it was time to have my own domain. From this time forth, my gospel blog will no longer be A House of Prayer; rather it will be By Study and Faith. Some content, some posts, some everything else except for a new name, a new design (it might change, I'm trying out a new template), and a new name (there is a gospel season in this but will go into it at the moment).

Again, please visit my new blog and begin reading over there. Let me know if you have any problems with my new site.

#### Tools for Gospel Students and Teachers

From the gospel that the most important tools for teachers in the Church of Jesus Christ of Latter-day Saints are the scriptures and the Holy Ghost. Sensitivity to the Spirit and knowledge of the scriptures will allow a teacher to have powerful lessons that help those being taught have a stronger desire to love the gospel. "Therefore, why is it that ye cannot understand and know, that he that receiveth the word by the Spirit of his revelation? As it is promised by the Spirit of Truth: Wherein, he that prayeth and he that receiveth, understand one another, and both are edified and rejoice together" (D&C 92:1-2). Having the Spirit of the Lord is vital in gospel teaching.

There are other tools that can benefit gospel teaching and learning. "The LDS Church recently...

#### What is the CyberCemetery?

The CyberCemetery is an archive of government websites that have ceased operation (usually websites of defunct government agencies and commissions that have issued a final report). This collection features a variety of topics indicative of the broad nature of government information. In particular, this collection features websites that cover topics supporting the university's curriculum and particular program strengths.

#### Who created and maintains the CyberCemetery?

The [University of North Texas Libraries](#) and the [U.S. Government Printing Office](#), as part of the Federal Depository Library Program, created a partnership to provide permanent public access to the Web sites and publications of defunct U.S. government agencies and commissions. This collection was named the "CyberCemetery" by early users of the site.

This collector supports the mission of the UNT Libraries by acquiring, preserving, and providing access to recorded knowledge in the form of government websites.
