CIPPUS  
BEATIS MANIBUS  
VIRI Magnifici, Generosi ac Nobilissimi,  
**DN. JOHANNIS AUSTENII.**

Sacræ Regiæ Majestatis Poloniæ Burggrabii, & Reip. Thorun. Præ-Consulis  
meritissimi,

*Ipsa Exequiarum solennitate*  
d. 22. Febr. A. O. R. M. DC. XCVI.

**ADOLPHO ALEXANDRO de HEUCKING, Nob. Curlando.**

Rgo tuus Vindex nunc concidit, ampla Thorunum,  
Sospes qui Te humero consiliante tulit?  
Ergo erit, ut posthac veniat Tibi sitque carendum,  
(O dolor! ô lacrymæ!) Consule, Patre, Viro,  
**AUSTENIO?** cuī tot dotes, tot tantaqve dona.  
Certatim largâ Dî tribuere manu;  
Ut, qui cuncta velit complecti versibus, idem  
Oceani fluctus enumerare velit.  
Musæ Parnassi puerum pavere sub antris,  
Edocuit juvenem Romula jura Themis.  
Expertem fastûs mentem solertia finxit,  
Hæc summi ad Templum stravit Honoris iter.  
Ambitus haud illum, nec vulgi mobilis aura  
Evexit, patriæ sed generosus amor,  
Et censura Patrum, quos illo ex tempore nunquam  
Judicii auditum est pœnituisse sui.  
Nam sibi delatam sic spartam ornavit, ut ipsi  
*Non loco amittit, sed accessit loco.*  
Frontem præstanti morum gravitate serenam  
Ipse sibi Genius legerat hospitium.  
Cognitione bonâ multarum fertile rerum  
Pectus erat, variis linguaqve prompta sonis.  
Non Custos Legum aut vitiorum erat acrior hostis,  
Ille bonis portus, naufragiumqve malis.  
Ille labentis erat spes & sacra anchora causæ,  
Illiis in dubiis cognita sœpè fides.  
Dotibus hisce sibi decus immortale paravit,  
Prussia, testis eris, tu, Leche, testis eris.  
Nunc superum socius, clari nunc civis Olympi,  
Nescia tristitiae gaudia latus agit.  
Curia, sed quam te memorem, nunc orba Parente es,  
Orbaqve Patrono, (pulpita flete,) pio.  
Fletor patronus, fletor pater: unus ad omnes  
Sat fuerit lacrymas, nam Pater ille, pater!  
Curia dic tristans: Domino mandante reliquit,  
Perdidit, ah fidum Patria terra patrem!  
Ah lacrymosa dies, fletuqve levanda perenni,  
Quæ tam præclarum sustulit hora jubar!  
Rara ferent, vel lustra parem, vel secla secundum  
Huic, urnâ qui nunc hâc tumulandus erit.  
Curia, dum sensus condes benefacta sub imos,  
Ut fas est, illum, te quod amavit, ama.  
Sparge solum foliis, monumentum construe & ejus  
Esto cum serâ posteritate memor.  
**AUSTENIUS** vivat sœp̄es, celebretur, ametur,  
Post mortis vigeat funera Fama Viri!
