IMMATURUM DOLOREM
IMMATURUM OBITUM ^{Super}
ANNÆ DOROTHEÆ,
Genere & Natalibus conspicuæ
BAUMGARTIO-KNIPPELIANÆ FILIOLÆ
ante tres Menses natæ
præter omnem opinionem avitis sepulcris
solemnissime
Anno 1705. die 13. Decembr. illata,
GYMNASIUM THORUNIENSE
VIRO
MAGNIFICO, NOBILISSIMO atq; CONSULTISSIMO
DOMINO,
DN. JOH. BAUMGARTEN,
Consuli, p.t. Judici & Scholarchæ Palæopolitano
testari voluit.

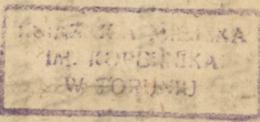

Dolor! ô gemitus! luctu Pater ipse fatiscit,
Et fracta mœstus mussat Apollo lyra.
Hic Charitum tristis, Musarum flebilis illic,
Stat Chorus, & pullis vestibus ora tegit.
Singultu resonas implent & qvestibus auræ
Mœsta tori consors, mœstaq; turba Scholæ.
Nam Pater amisit Sobolem virtute coruscam,
Amisit Mater cordis amanda sui.
Nos quoqvæ defunctæ ploramus funera Natæ,
In qva spes Matris desiit atq; Patris.
Sed quid opus lacrymis? gemitus qvæ præmia sumit?
Contra vim mortis nulla qverela valet.
Ample Parens, audi teneræ solatia Natæ,
Qvæ Tibi post mortem Filia chara dedit:
Mater mœsta, Tibi plures debentur amores,
Qvos nunc post obitum Filia chara refert:
Desine chare Parens, tuqvæ ô bona desine Mater,
Innocuam dictis exagitare necem.
Quid fuerim, quid sim, perpendite: Filia nuper
Sontis Ada, mortis Filia nuper eram.
Nunc DE US ipse mihi Pater est, fons ille salutis,
Fons vita: mea quis fata secunda flet?
Dulce fuit vestris hærere amplexibus, at nunc
Amplexu Christus me fovet, atq; tenet.
Dulcia fixistis mihi basia, basia Christus
Jam figit nullis condecoranda metris.
Nunc vitæ fontem sitientibus haurio labris,
Sponsa hilaris summi Principis atq; DEI.
O Pater! ô Mater (mihi divæ credere fas est)
Vita hominum non est vita, sed anxietas!

THORUNII,
Imprimebat Johannes Conradus Rügerus, Nobiliss. Senatus & Gymnasii Typographus.
