

VI.

**A** Mice candidè,  
 Cum tempus hoc petat,  
 Vt ritè Virginem,  
 Virtute candidam,  
 Amore candido,  
 Devincias tibi,  
 Iungasq; conjugem,  
 Es mente perspicax  
 Prudensq; pectore  
 Qui candidè tibi  
 Legis, petis, jugas,  
 Amore candidam  
 Virtute candidam,  
 Ortam Parentibus  
 Amore candidis  
 Virtute candidis;  
 Spectas nec unice,  
 Quid dotis adferat  
 Sit quamvè candida.  
 Fallax, fugax amor,  
 Quem stultus impetus,  
 Nitore concitus,  
 Parit, vel improbus;  
 Ardor pecuniæ,  
 Qui solum amaverit  
 Propter pecuniam  
 Amabit hic nihil

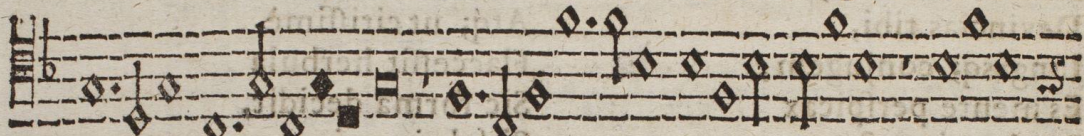

Præter pecuniam;  
 Dempta pecunia  
 Amor fit irritus,  
 Stultusq; cogitur  
 Tenere sordidam.  
 Atq; ut citissimè  
 Flaccescit herbula  
 Sic forma decidit,  
 Si febris unica  
 Formam oris impetit  
 Et reddit horridam.  
**A**mice candidè  
 Amare pergito  
 Amore candido  
 Virtute candida  
 Amore candidam,  
 Virtute candidam,  
 Ortam Parentibus,  
 Amore candidis.  
 Virtute candidis:  
 Sic forma quælibet,  
 Certe licet fiet,  
 Carbone nigrior  
 Erit, tibi tamen  
 Virtutis indole,  
 Olore pulchrior  
 Cræsoq; ditior.

*Henricus Garbrecht Schola  
 Conceptor.*
